**ALL THE LIQUOR
HAS BEEN DESTROYED.**
Large Quantity Had to Be Disposed
of, Including Champagne, Wine,
Whiskey and Beer.

With no more ado or care than as
if they were handling bottled water,
except that they were careful to get it
down the sink, the police on Sunday
night and Monday were engaged in de-
stroying the liquor which had been
seized in the raids upon the houses of
ill fame and at the Carboni boarding
house.

Chief Murphy's officer, where the
liquor was stored, had looked like a
bottling establishment for the past
few weeks, there being in the neighbor-
hood of 200 bottles of liquor awaiting
orders. On Sunday night that which
was taken from the houses was poured
down the sink, while on Monday
the remainder found its way down the
same sewer. Champagne, wine, whis-
key, gin and beer were well mixed so
that someone was prompted to remark
that when the fish tackled that they
would run up against the long looked
for Halley comet.

BEAUTY IS MORE THAN SKIN DEEP

A good complexion lies down in the
under-skin tissue. The skin is com-
posed of two parts. There is hardly
any dividing line between them
though.

The inner skin is continually being
transformed into outer skin, the top-
most layer of which is thrown off in
the form of scales. There must be
plenty of food for the inner skin in
order to have a healthy outer.

A gentle application once or twice
daily of PEROXIDE CREAM will give
to the tissue just the nourishment it
needs. A good complexion is the nat-
ural result of using Peroxide Cream.
